Dimensions

Height = 285 cm (112.2")

Width = 166 cm (65.4")

Depth = 1 cm (0.4")

## Description

A fine antique Khamseh tribal carpet with striking and quite rare, all over Gol Ferrang design. A big example of this scarce type with good age, tightly knotted and, other than one small, high quality repair, is offered in very good condition, even pile allover with original ends and sides. These carpets, though over 120 years old work well in both a traditional and contemporary room setting and this one comes from my own home.
