Description

A solid sterling silver novelty pen wipe, modelled as a shoe shine/wipe. Clearly hallmarked for Birmingham 1900, with the maker's mark of James Deakin & Sons (John & William F Deakin). The silver is in good condition, with just one crease on a corner. The bristles are a bit thin in the middle but overall it is in good condition and is still a working item. As is it weighted, it would also make a useful paperweight. Dimensions: Height - 2.5cm Width - 5cm Depth - 5cm Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
