Description

Antique oak Anglesey dresser base This Antique oak Anglesey dresser base was made in the middle of the 19th century. There is an attractive and unusual turned column to each front corner. The arched panel cupboard doors open to reveal a full storage area fitted a shelf. Between the doors are false drawers that match the working drawers that run along the top. There is subtle banding and inlaid stringing to the drawers and the cupboard doors. It has 3 drawers along the top that are fitted with brass swing handles. This dresser can be used in many places around your home. It will look great in the kitchen, dining room, an entrance hall. 168cms wide (66ins) 50cms deep (19 1/2ins) 92cms high (36 1/4ins) All dimensions are approximate We can arrange delivery nationwide or to be shipped overseas This item carries the Hingstons Antiques product guarantee plate.
