Description

An antique silver Rotherham & Sons pocket watch. The watch has a key-wound movement, identified as Rotherhams, which is working nicely. The movement is numbered 330120. The movement has an inner fitted cover. The watch measures 54.3mm diameter excluding the stem and the loop. The case is silver and there are hallmarks inside the case backs for Birmingham 1909, with a maker's mark for Rotherham & Sons, watch makers and watch case makers. The case is in nice condition with just light rubbing to the engine turned detail on the back. The acrylic lens is in nice condition. The dial is in nice condition. The watch has gold hands and a blued steel sub seconds hand. The watch will be sent in a new presentation box. Price includes worldwide postage
