Description

A 1920s Rands stem winding pocket watch. The watch has a stem-winding movement which is working nicely. The nicely jewelled movement is signed Rands, Swiss made and it is all protected by an inner hinged cover. The watch measures 50.4mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model by the England based watch case maker Aaron Dennison. The case has light surface marks from use but overall it is in nice condition. The inner dust cover has some marking / surface scratches from use. The watch glass has light surface marking from use although very acceptable. The white enamel dial is signed Sims, East Street, Southampton. The dial is in nice condition. The watch has its original blued steel hands. Free worldwide shipping
