Description

A Victorian Mahogany Coal Scuttle, Mechanical Opening and Liner This is a charming Piece of Victorian Engineering, it looks at first glance like many other Mahogany Coal boxes. It has sloping front and a decorative brass and mahogany handle on the top, when the handle is folded back, it opens 2 doors on the front of the box so revealing a metal liner, that is removable for filling etc. The handle has nice brass work with PATENT inscribed on it and it is in good antique condition The Scuttle is 17" high, 14" wide and 27" deep TKW243 Only items dated up to 1920 can be found on Selling Antiques, to see all of our stock including Mid Century and Art Deco post 1920 please view our web site We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
