Description

This is a stunning platinum and diamond ladies watch by the top Swiss maker Rolex. It has a platinum case and we have calculated that it has approximately 5cts of the most exquisite Old European cut diamonds which are deeper than modern day cut which are incredibly white, bright and crisp, the sparkle they generate is absolutely amazing and are of exceptionally high grade in colour. It also retains its original sapphire winding crown which just sets it off and of course the steel peacock blue hands which compliments the sapphires beautifully. The design is quite beautiful and very unique, the shoulders are articulated so it simply glides around your wrist, it is very reminiscent of the Art Deco era in design, classic and elegant. It fits a wrist size of up to 6.25 inches. The dial is absolutely perfect, in mint condition with no marks or scratches and the actual case measures 19mm in diameter excluding the winding crown. The movement is a manual winding 18 jewel Rolex calibre 1400. This is truly an exceptional piece and unique. The watch has just been fully serviced. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous.
