Description

This antique mahogany two door wardrobe has nice small proportions, so could be used in a bedroom or a hall. It's in good original condition & the mahogany finish has a wonderful colour & rich patina. The top cornice has a deep Greek key moulding just under the top & the front is all flame mahogany. The two doors have four shaped out panels & it sits on bracket feet. Inside the cupboards is a top shelf with a hanging rail beneath & there's a mirror attached to the inside of one of the doors. This wardrobe is very fine quality & I would date it to around the 1890-1910 period. It also has a working lock & key. Width – 39 inches, 99 cm Depth – 22 inches, 56 cm Height – 72 inches, 181 cm
