Description

A 1920s Waltham pocket watch & chain. The watch has a stem-winding movement grade 610 which is working well. It is fully signed and the serial number 23732450 which dates it back to 1920. The watch itself measures 51.7mm diameter excluding the winding stem and the loop. The case is nickel silver and was made by the American Watch Case Co. The case has light surface marking from use but overall it is in nice condition for a 1920s piece. The case has a screw on front and back an addition cost when the watch was made but nice to have. The acrylic lens is in nice condition. The white enamel dial is signed Waltham and has a small faint hairline crack below the sub seconds dial although hardly noticeable but otherwise it is in nice condition. The watch has its original blued steel hands. The chain has a vintage nickel albert chain which is in nice condition. The chain measures 29cm including the T bar and clasp. The watch will be sent in a new presentation box. Price includes worldwide postage
