Description

A lovely example of these ever popular wall clocks by the World renowned maker GUSTAV BECKER. The slimline walnut and ebonised case retains it's original French-polished finish with a lovely warm, rich patina. It's elegance lies in it's simple lines and uncluttered appearance. The 7" enamelled dial has black Roman numerals with nicely cut hands and subsidiary seconds dial. It is totally free of any chips, cracks or crazing. The single-weight, 8 day, A-frame, timepiece movement has just been fully serviced by our BHI registered staff and carries our usual 12mths parts and labour guarantee. It is clearly marked with the GUSTAV BECKER name. The brass weight and pendulum are in excellent condition as is the whole clock. All measurements shown are to the very extremes of the clock. All cards accepted.
