## Description

These lovely, rich-coloured GUERNSEY COPPER MILK JUGS range in size from 1 pint to 14 pints and are stamped by the Maker 'Martin's Guernsey' and each has the GUERNSEY CREST. They have been well used and lovingly cleaned over the years giving them a wonderful soft rose colour. There are dings and dents, as would be expected, but which give them individual character and charm. They look super displayed in a Country or Town Kitchen. Height of largest Jug: 13.5 inches (34 cm)
