Description

Pair of antique French walnut salon armchairs that have just been re-upholstered in our very popular cream textured fabric, with double piping. The curvaceous walnut frames have good carvings all over & they are structurally sound too. These armchairs have a decent seat height, so they could even be used as extra chairs around the dining table if needed. I always like this model, because they are so versatile in the home. They can be used in the bedroom, hall, living room or like I said at the end of a dining table. I would date them to around the 1910-20's period. Width – 24 inches, 62 cm Depth – 24 inches, 62 cm Height – 38 inches, 96 cm Arm height – 27 inches, 69 cm Seat height – 18 inches, 46 cm
