Description

This sterling silver vase assayed in Birmingham 1922 is truly a piece that encapsulates the era in which it was produced. This is an excellent period piece that would suit either the collectors of all things Art Deco or look appealing in any 1920-30's period property. The item has one or two minor dents consistent with its age (they can't be seen unless you're specifically looking for them). The silver vase is approximately 7" in height and the base is approximately 4" square. Overall the piece is presented in good condition at a very personable price. PRICE REDUCED FROM £125 TO £75 40% OFF
