Description

A 1944 Universal Geneve full calendar wristwatch. A silvered dial with a matte finish and blued steel hands. Steel baton hour markers and a '12' in a deco style font. As with most of the iconic Universal Geneve wristwatches, this has multiple complications. A moon phase and months of the year to 6 o'clock, with a red pointer. A subsidiary seconds dial to 9 o'clock with Arabic numeral quarters. Date of the month to 3 o'clock as well as day of the week just underneath 12. A stainless steel 'Enversteel' case with well shaped lugs. A manual wind caliber 291 Universal Geneve mechanism with original winding crown. Serial numbers date this watch to c.1944. Case width 33mm. From Kembery Antique Clocks Ltd you can expect a genuine vintage wristwatch that is serviced with 12 months guarantee. It comes with a certificate of authenticity and a presentation box. We carefully pack and send it on a day of your choice by tracked and insured delivery.
