Description

Fine quality antique Edwardian mahogany bureau bookcase with a cylinder fronted writing section, dating from around the 1890-1910 period & in good original condition. It's mahogany with satinwood inlays all over. The writing section is fabulous, with satinwood or maple veneers on the mini drawer & compartment section. There's also a leather writing surface on a pull out slide with two brass handles. The bookcase on top has adjustable shelves & the astral-glazed doors have a lock & key. All the brass handles are original too & I think the leather is also. Please enlarge all of the images, because there is a lot to see. The bookcase section can be lifted off, making transportation easier. Width - 36 inches, 92 cm Depth - 20 inches, 51 cm Height - 83 inches, 210 cm Knee height - 29 inches, 73 cm
