Description

Antique 1913 Waltham Traveler pocket watch and chain. The watch has a stem-winding movement which is working well. The movement is signed American Waltham USA, Traveler and it has the serial number 19278235 which dates it back to 1913. The watch measures 50.8mm diameter excluding the winding stem and the loop. The case is silverode which is an alloy designed to look like silver. The case was made by the Philadelphia Watch Case Company. The case has light surface marks from use but overall it is in nice condition. The case has a screw on front and back. The watch glass is in nice condition with only the odd minor mark. The enamel dial has a very faint hairline crack to the bottom of the sub seconds dial although hardly noticeable but overall it is in nice condition. The watch has its original gold hands and a blued steel sub seconds hand. The watch comes on a nickel chain which measures 26cm including the T bar and clasp. The watch & chain comes in a new presentation box. Price includes worldwide postage
