Description

This pair of antique mahogany campaign bedside chests are fine quality & are very impressive. They have been adapted from a Victorian larger item of furniture, so the wood is original & shows plenty of character. My cabinet maker really went to town on these bedsides, so they are very high quality. The drawers have brass inset military handles & locks, plus they are finely dovetailed. There are brass corner fittings from top to bottom & even on the plinths. I particularly like the panelled sides. These bedsides are truly one offs & can't be repeated. Width – 19 inches, 49 cm Depth – 20 inches, 51 cm Height – 26 inches, 65 cm
