Description

I love the design of these candlesticks, they just have a presence and sophisticated style about them. Beautifully cast and engraved the columns rise to a wonderfully shaped candle receptacle, bulbous in form with the outer case having vertical gaps all around. Ready to decorate your home or office, solid and heavy dating to the Victorian era, around 1870, professionally polished to gleam. As useful today as 140 years ago, measuring 4 1/2" x 4 1/2" at the base and standing 8" tall. Item ID: 31505 ----- FREE Worldwide Registered Airmail; Insurance Optional

Internal Ref: 31505
