Description

1930s Junghans Art Deco full hunter pocket watch. The watch has a stem-winding movement, calibre 71, which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and it has a stylish Art Deco design to both the front and back. The condition is very good with just the odd minor mark. The winding crown pushes in to open the front cover. Inside there is a glass lens which is in good condition. The signed dial is in lovely original condition with original hands and also an outer minute track with 24 hour markers. The watch will be sent in a new presentation box. Free worldwide shipping
