Description

A large Royal Worcester Blush Ivory basket measuring 9 1/2" (24cm) wide, 7 1/2" (19cm) with handle high, 4 1/2" (11.5cm) across, and 2 1/2" (6.5cm) deep. The piece a lovely example of pre First World War Royal Worcester. The piece for its age is in excellent condition, the Blush Ivory finish is still as prominent as the day it was cast. The gilding is in pristine condition, this piece has not seen the light of day for many years (which is a terrible shame), it would make a lovely center piece on any traditional table, or for those people who like quirky objects in a more modern setting this is a lovely object with a practical purpose, and for those reason too it would make a fabulous present. This is a quality genuine 1911 antique at very reasonable price for a quality item.
