Description

This hugely stylish cocktail cabinet is a fantastic piece of Art Deco furniture, and it's internal fittings prove to be an incredibly appealing feature. The beautifully presented burr walnut cocktail dry bar in a unusual but very attractive oval shape. All of the fittings remain properly secured within the cabinet when the fall is opened and shut, and it's reverse side is mirrored to stop any spillage from harming the lining. The back is also mirrored, and contributes furthermore to the overall appeal of this piece. The cupboard doors continue to exhibit fantastic burr walnut graining, while another pair of typically Art Deco handles are fitted. Internally there are separate circular compartments for housing bottles, and an upper drawer for housing cutlery, napkins and such like. The condition is excellent having been through our workshops and restored. We have literally hundreds of original items of Art Deco for you to view which can be seen here at www.artdecoworld.co.uk
