Description

Wonderfully stylish and so indicative of this bygone era is this Art Deco 1930's king size bed. Veneered in blonde walnut with feather banding to accentuate the over-all odeon or cloud shape. The blonde colouring would easily integrate this bed with both modern and Deco themed interiors. Although this bed will accommodate a king-size bed it will of course also work with a double as well. Completely and professionally restored this bed comes to you in great condition. The width between the two side cabs is 60" (153.5 cm). This bed comprises a headboard and two side cabinets and comes in three parts, the central cloud shape headboard is screwed to the back panels of the side tables. It's very simple and easy to put together and looks very classy in situ. The cabinets both have an open shelf and cupboard below and a section to the side for we think magazines or general reading matter, quite a nifty design.
