Description

This antique mahogany chest of drawers has really nice small proportions & is of high quality. On first impressions it looks period Georgian, but I'm not so sure & it may have been adapted later into a smaller chest. Either way, it does have some age & the mahogany has a nice colour & figuring. The top has a reeded edge, with a brushing slide below. There are four graduated drawers below with brass handles, fine dovetails & locks. This chest sits on stepped out bracket feet. So, if it's not Georgian it must at least date to around the 1890-1910 period. Hard to say really. Either way, it's a very well made chest of drawers. Width - 29 inches, 74 cm Depth - 16 inches, 41 cm Height - 30 inches, 76 cm
