Item Reference: SA578228

Date of manufacture: 17th Century

Dimensions

Height = 29 cm (11.4")

Width = 12 cm (4.7")

Depth = 7 cm (2.8")

Description

A quality late 16th - early 17th century carving of Saint Anne and Mary. Finely and intricately carved in walnut, the sculpture has superb colour and patination. Originally the sculpture would have been mounted on a base however this has been lost in time. This piece has had some wood worm damage at some stage, which is to be expected with walnut of this age. The overall condition is excellent.
