Description

This is a stunning antiques Sapphire and Diamond Ring set in 18ct Gold, the ring has 3 superbly faceted sapphires which are a gorgeous vibrant blue, and 4 small Diamonds to add constast to the the sapphires. The ring is 3.0g and size N. The hallmarks are slightly worn, so the exact date can't be determined, however these types of rings were popular from the late Victorian era to about 1910. We've dated the ring between 1900-1910. This is lovely ring and would make an ideal gift or would fit perfectly in any collection at a very competitive price.
