Depth = 10 cm (3.9")

Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the Seamaster De Ville model with the fully automatic calibre 562 movement. Everything about this watch is original, the diamond cut linen dial is in mint condition, it is just stunning when the light catches it. The Omega symbol is on the crown, it has a genuine Omega buckle and it is fully marked Omega on the dial, movement and case as you would expect. The Seamaster logo on the back of the case is bright and crisp. The only thing we have replaced is glass which is a genuine Omega glass. The watch case measures 34.5mm in diameter not including the crown. It comes with both its inner and outer boxes and the paperwork for when it was sold secondhand in 1976. It also comes with a selection of different coloured straps, just let us know which you prefer. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and probably the best of this model we have ever come across and highly sought after by Omega collectors. The watch has been fully s...
