Description

Outstanding Omega Constellation gents wristwatch. This is an incredible example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the Constellation automatic calibre 561 chronometer grade movement, 24 jewels, adjusted to five positions and temperature controlled - as you can see it is in fabulous condition. The dial with date facility is in superb unmarked condition having been fully restored. It has gilt hands with a centre seconds hand and baton markers. It has the Constellation observatory symbol embellished on the back of the case which is bright and crisp and also the Omega symbol on the crown and the genuine Omega buckle. A new glass has been fitted and the case has been professionally polished so it is in superb condition. It has a screw back solid 18ct gold case which is very heavy. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality black leather strap and its original presentation box to keep your watch in perfect condition. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance...
