## Description

Gents Longines wristwatch, 1967, in super condition. The watch has a 17-jewel hand-winding movement, calibre 30L, which is working nicely. The movement is fully signed and the serial number 13,984,413 dates it back to 1967. The watch measures 35mm diameter excluding the winding crown and the lugs. The case is gold plated and it is in very nice condition. The stainless steel case back is signed inside with the Longines name. Original signed winding crown. The lens is in good condition. The signed dial is in super original condition. The watch is fitted with a Longines strap, probably the original.
