Description

Gents 9ct gold Garrard wrist watch, 1964. The watch has a Swiss 17-jewel hand-winding movement which is working nicely. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for Birmingham 1964, with a case maker's mark for the Dennison Watch Case Company, a prolific manufacturer of cases for various watch makers. The back of the watch has a 1965 long service inscription from the Fridgidaire division of General Motors. The lens and signed dial are both in lovely condition, original lance hands, a recessed subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a Garrard presentation box. Free worldwide shipping
