Description

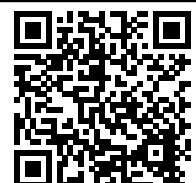

Circa 1910-1930 a pair of solid brass candlesticks with hexagonal shaped bases and candle cups in very good condition. They measure 30cm in height, the bases are approximately 10cm wide and the tops are 8cm, and each one weighs about half a kg. The central part has been painted black, and we think this is original. Postage and packing within the UK mainland only is included in the price and for remote parts of the UK or abroad, please contact us for a delivery quote.
