## Description

This fine quality secretaire Bookcase is French and dates from the 1930,s. Veneered in Burr Maple and made with an exceptional quality of craftsmanship, it fits perfectly into todays' desire for lighter and more decorative pieces of furniture. The bookcase has eight open book shelves which could also be used for displaying precious glass and other Art Deco collectables from the period. The backs of these open sections are veneered in the same attractive wood as is the whole piece. The handles, key plate and hinges are nickel plated and the original key opens both the top and lower sections. Internally, the light tan leather writing surface is the original and has the accompanying marks of age and use. There are 2 large and 3 smaller drawers, all beautifully made from solid Maple and showing finely made dovetails. To the left hand side are three stationary sections in made in tiers. The dimensions are;- Height 53 ins..135 cm. Width 43.5 ins..110 cm. Depth 14 ins..46 cm. The 2 outside sections are 12 ins..30 cm deep with a book shelf depth of 11.5 ins..29 cm.
