Depth = 1 cm (0.4")

Description

A most attractive solid silver Photo Frame. The silver pattern design is very attractive and the shape is extremely stylish, (not a usual Victorian design.) The back-stand is made from a nicely grained wood. Clear hallmarks are visible on the lower part of the frame for the Birmingham Assay Office with a date mark for 1899 and Lion Passant indicating sterling silver. The maker's mark is also clear for the silversmiths: W.J. Myatt & Co. A lovely frame, unusual elegant design. Condition: This frame is in great antique condition. Hallmarks and maker's marks: Birmingham 1899 by W.J. Myatt & Co. Measurements: Height: 15.5 cm approx. Width at widest part: 11.5 cm approx. Weight: 124.1 grams approx.

Internal Ref: NJLE49-01
