Description

A single panelled door, antique pine wardrobe that dates from around c.1870 and is in excellent condition for its age. It totally dismantles for delivery so will go through any difficult doorway or stairway. Recently stripped, exposing a clean and tidy bare wood now ready for waxing or painting. There is an internal depth of 21", making it deep enough for larger suit and coat hangers. These particular wardrobes do sell very quickly - due to the fact you only normally find larger, double or triple door wardrobes are deeper in size and dismantle. The fitting of a new brass hanging rail is included in the price. Height 78", width 48", depth 24.5", internal depth 21"
