Description

This is a wonderful example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. The calibre 342 fully automatic watch movement is beautifully made, totally reliable and as you can see it's in fabulous like new condition. Everything about this watch is completely original, the dial, it also has the Longines logo on the crown and buckle. The flagship emblem embellished on the back of the case is bright and crisp and you can still see the graining. A new glass has been fitted and the case has been professionally polished. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality black leather strap. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch is a full size gents measuring 35mm in diameter not including the crown. The watch has been fully serviced and is guaranteed to be a genuine Longines in all respects. It has been professionally serviced and overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part ...
