Description

Good early 1900's Austrian cold painted bronze bird and scallop shell ashtray. The piece is of very good detail with all original paint. The underside of the tail is stamped GESCHUTZT with another mark underneath which I can't quite make out but is probably the mark for Bergman but I can't tell for sure. SIZE; 4" wide by 4" deep by 2" high CIRCA; 1900 - 1920
