Description

In superb condition, fully serviced with a 12 month warranty. Outstanding Zenith extremely heavy solid 9ct gold gents wristwatch. The watch is rare as it has the 9ct gold case and is the one favoured by JF Kennedy. It has the 28 jewel calibre 2532PC fully automatic movement which is regarded as one of the best automatics made during the 1960s. Everything about this watch is original, the dial has not been restored or retouched in any way and the winding crown with the Zenith logo is also original and the case is very heavy. It has the date set to between the four and five. As you would expect the watch is fully marked on the dial, movement and case with a full set of hallmarks. It comes complete with a high quality presentation box and a premium quality Hirsch black leather strap. Zenith are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch measures 30mm square not including the crown so is very large. Overall this watch is in wonderful original condition and highly sought after by collectors of Zenith also JF Kennedy memorabilia. The watch has been fully serviced and...
