Description

This antique French style console table has nice slim proportions from back to front & is in excellent condition. I would date this table to around the 1930's period & the wood looks like a combination of kingwood & walnut. The top has a kingwood panel with satinwood inlay. It has a serpentine shaped front with gilt metal mounts & swags on the front edge & on the tops of the legs. The legs are turned & fluted with gilt metal feet. Width – 38 inches, 97 cm Depth – 13 inches, 32 cm Height – 29 inches, 74 cm
