Description

Circa 1900 this exceptionally good quality tall brass lamp is in very good condition and has just been rewired to UK specifications using flex cable. The lamp measures 56.5cm in total; 48 cm in height up to the flat part at the top of the column, and it has a 16cm square step base. It weighs about 3.8kgs as the original metal weight is still tucked inside, and the base has been covered with felt to protect furniture. Postage and packing within the UK mainland only is included in the price, but for remote parts of the UK or abroad please contact us for a delivery quote. If the buyer can arrange collection from us in SW London, we will pack the light and offer a discount on the price.
