## Description

Antique Victorian mahogany floor lamp in good condition which has just been re-wired. It has a strong looking curved out square base with some interesting decoration & sitting on ogee bracket feet. Above that section is a turned upright carved at the top. I've never seen a standard lamp of this form & style before & I would date it to around the 1890's period. Width - 14 inches, 36 cm Depth - 14 inches, 36 cm Height - 59 inches, 150 cm
