Description

Edwardian walnut love seat This walnut love seat was made circa 1910. The frame is beautifully carved, the carving being very crisp. It has a carved cabriole leg at the centre of the frame to the front and the rear, The apron is carved with shell and foliate designs. The legs are elegant, of the cabriole shape ending with scroll toes. We have used our specialist upholsterer to cover this in leather. They have over 40 years' experience working with leather and after covering the love seat they then hand dye it before finishing it with our antique finish process. All the brass headed studs are individually tapped in, a task that needs precision and patience. Imagine how great this will look in your home, and what conversations this will spark. 107cms wide (42ins) 66cms deep (26ins) 92cms high (36ins) 48cms seat height (19ins) All dimensions are approximate We can arrange delivery nationwide or we can obtain a quote for it to be shipped overseas This item carries the Hingstons Antiques product guarantee plate.
