Description

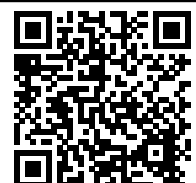

Circa early part of the 20th Century, this extra large and lovely quality glass light still has the original all glass top and ceiling fitting attached. The length of the light from the hook at the very top to the bottom is about 70cm, and the width is approximately 30cm. The light has been totally rewired to UK specifications and it is shown with 3 new LED lightbulbs inside. The glass drops are original and in very good condition. As we no longer sell through a retail outlet, if the buyer can arrange collection from us in SW London we will pack the light securely and offer a 20% discount on the price. For delivery elsewhere in the UK or abroad, please contact us to discuss options, thank you.
