Description

An old pine storage cupboard with a single door, and shallow in depth. Dating from around c.1920's, it has been recently stripped to the bare wood and is now ready for waxing or painting. There are two shelves inside, and the door opens fully - a very useful feature when accessing the cupboard. Sat on attractive bracket feet. A good size cupboard that would work well in a hall or bathroom due to its shallow depth. The top would make an ideal surface for a lamp, telephone, or somewhere to leave your keys! Height 46", width 34", depth 16.5"
