Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct white gold case with diamonds to each shoulder and is fitted to a new black leather strap. It is quite stunning, the dial is in perfect condition. A sapphire or faceted glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine. The 17 jewel calibre 484 manual wind movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Omega the watch is fully marked on the dial, movement, crown and case. It comes complete with its original presentation box to keep your watch in perfect condition. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class and would be a superb accessory for that 'little black dress'. The watch case measures 18mm in diameter not including the crown. The total carat weight is approximately 0.5 carats and the length of the shoulder section is 32mm. Overall this watch is in beautiful condition and ...
