Description

Large antique Victorian mahogany chest of drawers in excellent original condition & of very high quality. It has a solid mahogany top, curved corners, deep graduated drawers with turned bun handles, locks & fine dovetails. We have made sure that all the drawers glide well & everything else is ship shape. The bottom drawer is extremely deep because it's attached to the plinth base. This chest dates from around the 1860-70's period & has a lovely character look. These chunky solid looking chests are very popular & useful, because there is no wasted space, so plenty of storage. Width - 47 inches, 119 cm Depth - 21 inches, 53 cm Height - 47 inches, 119 cm
