Description

A lovely small Arts and Crafts oak table dating from the early 1900s. It has an overhanging top with an inset tooled leather surface above a long drawer with metal handles. The legs are narrow and elegant, tapering to a pad foot with ring turning at the top. Good small narrow proportions, perfect for a hallway or small writing desk. It is in good condition. Sturdy and in good order with a rich colour. The drawer opens well and it has its original arts and crafts handles. There are some minor marks and signs of age and use but nothing detrimental. The best description comes from the photos so please look at them all carefully and if you have any questions at all please ask. Free local delivery within 10 miles of Ashburton, Devon.
