Description

A nice example of an early Oak Coffe. It is of traditional form made with a panelled construction and standing on four feet. It has a planked hinged lid and is generally clean and tidy inside with its original floor. It dates from the mid to late 18th Century and is in superb original condition. It has developed a beautiful rich patina and is strong and sturdy. It has avoided being heavily overcarved and is a very pretty example with original tall feet. It also comes with its original working lock and key. There have been various small repairs and there are some signs of historic woodworm which have all been treated as a precaution and are not detrimental. The hinges have either been repaired or altered at some point but they are sturdy and solid. There are no major damages and it displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions at all please ask. Free local delivery within 10 miles of Ashburton, Devon.
