Description

Outstanding Trebex oversized solid 9ct gold gents wristwatch c1967. This is a very fine example of a gents classic oversized wristwatch made by the small swiss maker Trebex. This watch is in superb original condition, the starburst dial has not been retouched or restored in any way. It is beautifully made with a full 21 jewel Swiss movement with substantial ruby jewelled bearings from the golden age of swiss watchmaking and as you can see it is in fabulous like new condition. It is the type of movement that will probably last 200 years just like a fine pocket watch movement. It has a high quality brand new black leather strap which looks stunning or we can fit a chestnut strap if you prefer. It has Edinburgh hallmarks which is quite unusual, the date letter indicates that it was made in 1967. This watch looks as if it has rarely been worn and certainly has that understated elegance that whispers class. The watch case measures 35mm in diameter not including the crown. The watch has just been fully overhauled and serviced as you can see by the readings. It has been fully authenticated and found to be a genuine Trebex in all respects. This watch has been fully a...
