Gents 1950s Smiths Imperial wristwatch

Price

Sold**Item Reference: SA580884****Date of manufacture: 1950**

Description

A gents Smiths Imperial wrist watch, made in England, from the late 1950s / early 1960s. The watch has a 19-jewel hand-winding movement which is working nicely. The watch measures 34.5mm diameter excluding the winding crown and the lugs. The case is gold plated and has a stainless steel back. If viewed closely, there is a little rubbing to the plate. The lens is in good condition. The signed dial has some age related marking and a shade or two of darkening. Feuille shaped hands and centre seconds with red pointer end. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
