Description

Dating from the reign of George III, this charming occasional table has been decoratively painted in the Victorian period. The table has an all round shaped frieze and is raised on chamfered and reeded legs. This antique table is in good condition, is stable and stands evenly. There is some crazing and wear to the Victorian paint and gilt decoration, this just adds to the character and appeal of this lovely occasional table. A very decorative and useful 19th Century table that would enhance any room. c.1810 Width: 21" (54cm) Depth: 17" (43cm) Height: 23.5" (60cm)
