Description

A truly delightful and wonderful quality Lady's JEWELLERY CASKET in 'mint' condition. This unusual box is constructed using the very finest figured coromandel wood veneers with brass mounts which frame the wonderful 'pietra dura' panel to the centre which depicts Lilies of the Valley. The interior retains its red plush velvet lining and it is complete with working key. A rare and gorgeous quality casket. 10.5 x 8.5 x 4.5ins (26.75 x 21.5 x 11.5cms) wide. *** (Pietra Dura (literally 'hard stone') is a process of inlaying different coloured stones, often marble, to form delightful pictures. Technically a difficult process, particularly when achieving the artistic realism that is seen in this box.)
